HELPFUL HINTS

1. Always keep your receipts to help resolve potential errors.
2. Keep your address up to date in the Office of the Registrar. This is our best means of communication.
3. Be aware of deadline dates (ex. add/drop period, course withdrawal, pass/ fail registration). The semester calendar is on this page. Failure to comply with appropriate deadlines can result in severe academic or administrative penalties.
4. Drop or withdraw from courses by the appropriate deadlines. If you are registered for the course, you are responsible for dropping or withdrawing from it whether you attend the class or not. Even if the professor crosses your name off the class list, you must still drop or withdraw from the course through the Office of the Registrar.
5. Expect a schedule confirmation of courses for which you registered about three weeks into the semester. If you don't receive one, check with the Office of the Registrar.
6. Expect a bill for the amount of credits for which you registered. Review the bill carefully. Make sure you are billed for the appropriate number of credits. If you do not receive a bill, check with the Bursar's Office.
7. Keep your schedule books and/or schedule confirmation. You will need the course and section number for Final Exam period and room assignments, as well as Touchtone Registration, Add/Drop, and Pass/Fail or Course Withdrawal.
8. Regardless of College, all students are recommended to seek academic advising at least once per semester.

INSTRUCTIONS FOR ADDING AND DROPPING COURSES DURING THE ADD/DROP PERIOD, September 2 - 9, 1997

Pick up the Add/Drop Form in the Office of the Registrar.

ADD: You should attend the course you wish to be admitted to and speak to the instructor. If the instructor is willing to admit you to the course, have him/her sign the Add/Drop Form in the Add section in the area marked "Approval." Fill out the schedule number and the name of the course and return the form to the Office of the Registrar by September 9, 1997.

DROP: The procedure is the same as adding a course, The instructor whose course you are dropping must sign in the Drop section under "Approval." Fill out the schedule number and the name of the course and return the form to the Office of the Registrar by September 9, 1997. Following this procedure will prevent you from being charged for the course and receiving a grade of "F."

ALL FORMS MUST BE RETURNED TO THE OFFICE OF THE REGISTRAR WITH ALL THE NECESSARY SIGNATURES BY SEPTEMBER 9, 1997 TO COMPLETE YOUR CHANGE IN REGISTRATION.

IMPORTANT REMINDERS

You will be given a two part Add/Drop Form. The bottom copy will be your receipt for all Add/Drop transactions, Please keep your copy in case there are any discrepancies with your final schedule.

Remember that any course that you registered for through Touch Tone Confirmed Registration System or any course added during the Add/Drop period is your responsibility. If you do not intend to take a course you must drop it by September 9, 1997; otherwise, you will have to officially withdraw from the course by November 2, 1997 to receive a "W" in which case you will be charged the complete tuition for the course. Failure to complete either of these steps will result in the grade of "F". Please follow the deadlines and keep a receipt of your transactions. You are financially accountable for all courses not dropped by September 9, 1997.

GRADUATE ADMISSIONS AND GRADUATE REGISTRAR

GRADUATE MATRICULATED AND NON-DEGREE STUDENT ADD/DROP INSTRUCTIONS

Continuing Matriculated Students

Please refer to the Touch Tone Telephone Registration Instructions mailed in April or contact Graduate Admissions and Records at 287-6402 or 6403.

New Matriculated Students

You will receive information from your graduate program concerning registration.

ON-TIME PAYMENT OF TUITION AND FEES

Fall 1997 payment due no later than August 20, 1997

Fall 1997 semester bills must be paid on time. Any one or a combination of the following three actions will be considered an acceptable timely payment.

1. Full payment of all charges via cash, check, money order, Visa, Mastercard, or Discover Card by the due date as printed on your most recent invoice from the Bursar's Office.

2. Signed up and actively participating in the Interest Free Tuition Payment Plan through Academic Management Services (1-800-635-0120).

3. Official notification of financial aid eligibility to cover all or the remaining balance on your account.

For the Fall 1997 semester, students who do not meet one of the above conditions **by August 20, 1997,** will have their registrations for the Fall 1997 semester **canceled**. All seats freed up will be made available to paid active students on the class waiting lists. Students who have their registrations canceled but still wish to enroll for Fall 1997 classes, will be **assessed late fees,** and must then **rebuild a schedule** from the remaining open courses during the add/drop period, after making a deposit to the Bursar's Office which is equivalent to a 3 credit course and paying accumulated late fees.

If you have a Graduate Assistantship and you get billed for tuition, please deduct the tuition amount, and pay the fees by the due date of your bill.

For additional information, contact the Bursar's Office at (617)287-5350.

Non-Degree Students

Registration varies by program. Please contact the graduate program in which you want to take a course. You must fill out a Graduate Non-Degree Registration form and have it signed by the Graduate Program Director. The form must be submitted to the Graduate Admissions and Graduate Registrar's Office with full payment to complete your registration. The deadline for submitting the registration form is Tuesday, September 9, 1997 at 7:15 p.m.

Please note: Payment may be made by check, money order, VISA, Mastercard, or Discover Card.

Important Reminder

You are financially responsible for any course for which you registered in the Spring or Summer, or any course added during the add/drop period, unless the course is dropped by September 9. If you plan to drop a course, please do so early, so someone else can be given your space.

Failure to attend class without officially dropping does **not** remove your financial obligation.

DIVISION OF CONTINUING EDUCATION

Evening Courses Off-Campus
Saturday Courses On-Campus

The University courses which appear on the following pages are offered during the evening at off-campus locations and on Saturday at the Harbor Campus. Most classes meet once a week for two and one-half hours. These courses are open to all UMass Boston students and are applicable to bachelor's degree requirements. Students (including financial aid recipients) are free to combine day, evening on-campus, evening off-campus, and Saturday classes during any semester.

To Register

To register for an off-campus or Saturday course, *you must do so through the Division of Continuing Education.* There are four registration methods available: telephone, fax, mail, and walk-in. For more information visit the Continuing Education Registration Center in Wheatley 2/211. (Monday through Thursday 8:30am-6:00pm, Friday 9:00am-4:00pm) or call 617 287-7900. (Please note that Touch-Tone registration is not yet available for Continuing Education classes.) Continuing Education course fees are computed at the rate of $135 per undergraduate credit and $150 per graduate credit and are separate from on-campus tuition charges. Students registering for off-campus or Saturday classes also pay $30 in registration and service fees but do not pay health, athletics, or activities fees. Full payment is required at the time of registration. The Division of Continuing Education accepts personal checks, MasterCard, VISA, and Discover for the payment of off-campus and Saturday course fees.

UNIVERSITY DIVERSITY REQUIREMENT

All Undergraduates at Umass Boston are required to take courses that address human diversity as a major theme. UMass Boston believes that the explicit study of the diversity of the world's people's is an essential component of an undergraduate education.

Attention to cultural and social groups previously marginalized or ignored in the curriculum helps students acquire the analytical tools and knowledge to understand human diversity in our complex and changing world, and strengthens their academic preparation by exposing them to this rich body of scholarship from a wide range of disciplines.

UMass Boston defines diversity broadly to include: race, gender, culture (national origin, ethnicity, religion), social class, age, sexual orientation, and disability.

The requirement was implemented in two steps. It applied to all first-year students who were admitted to Umass Boston in Fall 1992 or Spring 1993 without any transfer credits. It applies to all students, including transfer students, admitted for Fall 1993 and after.

COLLEGE OF MANAGEMENT DIVERSITY REQUIREMENT

All students in the College of Management are required to take one course that has been approved as meeting the criteria for a diversity course in either the College of Management or the College of Arts and Sciences. The course which a student selects to satisfy the Diversity Requirement may also be used to fulfill a Field of Study or an Elective Requirement.

COLLEGE OF NURSING DIVERSITY REQUIREMENT

The requirement is met through required courses in the College of Nursing.

HUMAN PERFORMANCE & FITNESS DIVERSITY REQUIREMENT

HP&F majors are required to take two identified diversity courses. HPF 220 counts as one diversity course which is required of all majors. Students may meet the second diversity requirement by either taking HPF 180 or one of the courses in CAS designated as a diversity course.

COLLEGE OF PUBLIC AND COMMUNITY SERVICE DIVERSITY REQUIREMENT

For information on the CPCS diversity requirement, see Academic Affairs in CPCS.

COLLEGE OF ARTS AND SCIENCES DIVERSITY REQUIREMENT

The CAS diversity requirement will apply to all students in the College. The College requirement consists of two courses, one with a focus on diversity within the US, and one with an international focus. Students who enter UMass Boston with fewer than 60 credits are required to take one course from each of the two categories. Students entering with more than 60 credits may take one course from either of the two categories.
